F-Class, Palma Rifle and Any Rifle

Shooters first relay will have a 2-minute blow off period for both shooters. After 2 minutes is up. Cease fire will be called and commands will be given for firing.

In match 1, it will be 2 convertible sighters and 20 for record. If you want to convert your first sighter, you MUST take your second sighter also. If you only want to convert your second sighter, you do not have to take your first sighter. You do not have to convert any sighters if you don't want to.

After sighters, record shots begin alternating between each shooter with shooter 1 going first. The score must be called out and acknowledged by the shooter before the next shooter fires. There still is a 45 second time limit to get the shot off once score is acknowledged

For Match 2 and 3, you will only have the 4-minute prep period, Time will be called when ended and commands will be given for matches 2 and 3.

In matches 2 and 3, it will be 2 convertible sighters and 20 for record. If you want to convert your first sighter, you MUST take your second sighter also. If you only want to convert your second sighter, you do not have to take your first sighter. You do not have to convert any sighters if you don't want to.
