

CRC NEWS

COLORADO RIFLE CLUB

September 27, 2017

REMINDER:

Always check the [Event Schedule](#) for Activities Before Going to the Range!

RANGE SAFETY

On the High Power range, whenever in use, both range flags must be raised to indicate that the range is in use: the flag at the entrance by the 1000 yard firing line and the flag on top of the west end of the backstop. Also, the safety cone should be put in the road to indicate that firing may be in progress. Pay attention as you enter, and do not drive beyond any shooters' firing position. Be aware that the firing line in use may not be at 1000 yards, but further downrange. The CRC safety protocols are designed for your safety and others using the ranges. Always shoot safely.

CRITTERS AT THE RANGE

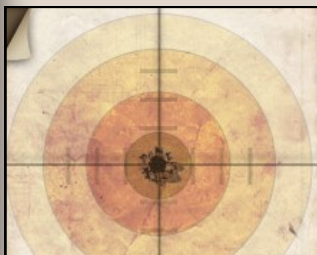

Latest crop of quail at CRC

Watch for rattlesnakes but do not kill bull snakes

WEATHER STATION

CRC's weather station has been updated and now has a camera located at the farmhouse that continually sends current pictures to the web site. Click on the 'WEATHER' link at the top of CRC's home page to read as well as see the conditions.

CRC AT LONG RANGE NATIONAL MATCHES

This past July, two CRC members (Adrian Harris and Dennis Casey) competed in the NRA Highpower Rifle Long Range Championships at Camp Atterbury, IN. "Long Range" is defined as 800 - 1000 yards, and both Harris and Casey competed with Palma rifles (metallic sights) in .308 Win. This was the first year the Highpower Rifle Championships were held at Camp Atterbury instead of Camp Perry, OH.

While there, Harris and Casey were both firing members of the winning team for the Roumanian Trophy Team Match, winning not only Division B (Palma) but the match overall, besting the scoped rifle teams. The team also took 3rd High Master team in the Palma Team Match.

(L to R) Dan Altman, Ben Lucchesi, Russ Theurer (Coach), Adrian Harris (Captain) and Dennis Casey.

Individual performances of note by CRC members were:

Adrian Harris:

Remington Trophy - 17th overall; Andrus Trophy - 15th overall; Doc Aitken Trophy - 15th overall

Sierra Trophy (aggregate of four 1000 yard matches) 6th overall, 3rd High Master

Palma Individual - Harris' score of 446 - 25 X (450 possible) earned him a Bronze Palma Pin and a Palma 20 Brassard

Dennis Casey:

Doc Aitken Trophy - 6th Overall; High Senior, 3rd High Master; Sierra Trophy - 10th overall

A week prior to the National Championships, Harris participated in the US National Rifle Team Tryout (USNRT) at the Gopher Rifle and Revolver Club in Harris, MN. The USNRT is the developmental program for the US Palma Team, which represents the USA at the World Long Range Championships held every 4 years. Based on his performance at the tryout, Harris was named to the US National Rifle Team.

SMALLBORE COMPETITIONS

The Colorado State Small Bore Prone Championships were fired at CRC on August 19-20. 16 competitors competed, each firing a total of 320 rounds over the course of two days. The winner was club member Ron Deradourian of Durango shooting a score of 3191-225x besting Adrian Harris by 2 points.

Photo: Deradourian accepting the trophy from previous winner, Cal Cooper.

Results of the match and the photo highlighted in the last newsletter were published in the August edition of *Shooting Sports USA* on page 23.

FALL WORK DAYS - ALL RANGES CLOSED

The fall work days and range cleanup are Saturday and Sunday, October 21-22. This is the last opportunity to get in your work bond & help get our range ready for the winter. The club was built by volunteers and is maintained by those same volunteers. By participating in work days you become part of the members who created our facility and keep it available as a 1st class shooting venue. Also, you will meet fellow club members who share a common interest in shooting sports. There will be projects to be done both days. We will build target frames, repair fences and clean up summer debris among other projects. All ranges are closed during the work days for safety of the members. Come to the range early either morning and report to the ranch house for instruction. Bring a lunch, we will provide refreshments. Contact Dave Paananen dpaananen@netzero.net for more information.

MEMBERSHIP DUES FOR 2018

The board of directors recently decided to keep the individual dues rates at the current level of \$65.00 individual, \$90.00 family. They did vote to increase the one time initiation fee from \$125.00 to \$150.00 effective at the first of the year.
