

IHMSA Match Report

June 26, 2011

Colorado Rifle Club

Byers, Colorado

Hot and windy all day. 94 degrees and a 15 to 20 mph wind from the west caused some definite windage problems. Only one 40 X 40 this match and that was shot by Russell Plakke in U - Int. The Bordello match keeps on growing with six shooters this day. There are now 10 hearty folks who have tried this match at one time or another. If you haven't, break out your carry gun and give it a try. There are cash awards for each class.

Just a reminder. The Colorado state match has been moved from Ft Morgan to CRC due to the wind damage at their range. Dates are Aug 26, 27 and 28. Pre registration forms will be out to you early August. Mark your calanders now and plan on attending.

Good shooting and we will see you at the regular July match on Sunday July 24.
