CRC 2027 Dues and Work Bond Reminder

DUES:

In the first week of January 2027 **each member's personal dues e-renewal link will be EMAILED. You must use this link** to pay your 2027 dues and 2026 work bond if owed. Annual dues for Individual Members are still $150, and $195 for Family Membership.

Immediately after paying, you will receive an emailed e-receipt from crci-org-noreply@websiteexpress.com

PRINT **this receipt** as it contains your **2027 Membership Card** with the new gate code. Read the entire email to find your 2027 Membership Card.

Please do not attempt to pay your dues or work bond before the e-renewals are sent out in January.

Although unpaid dues email e-reminders are sent in February and March, and the final "dues delinquent" notice emailed the first week of April, **we strongly recommend you pay promptly**.

If you do not find your January email renewal, do not wait. Contact us right away at bookkeeper@crci.org.

Dues are due in January. The Membership Cap of 2,200 members is in place, and we have some 350 people on the Wait List. Those who do not pay on time risk inactivation and could end up having to apply to the Wait List for future membership.

2026 Work Bond:

The work bond is $150 for 2026 which is payable in January 2027. Excused and Exempt requirements changed effective 1/1/23. Click here for details https://crci.org/membership/work-bond.

The Colorado Rifle Club currently excuses the requirement for Work Bond (WB) for First Responders, Law Enforcement Officers and people living over 150 miles from the CRC facility. First responders need to email a photocopy of their current ID to bookkeeper@crci.org **every year**. Members living out of state or over 150 miles from the club can send proof of residency such as a utility bill. If you wish to be EXCUSED from WB you MUST make a request during the fourth quarter of **EVERY YEAR** for waiving the WB requirement. Please submit now if you have not already done so.

Remember that you are **EXEMPT** from WB if you are over 65 years old or permanently disabled. **EXEMPT** members are annually updated in our database, so you do not need to provide any additional information.

Annual Meeting:

This year, the BOD intends to have our Annual Meeting and BOD election at our Clubhouse on Saturday, June 12, 2027.
