WHO WE ARE: At Houses For Warriors (HFW) we dedicate ourselves to transforming the lives of military veterans and first responders by helping them turn empty apartments into true homes—and their transitions into lasting transformations. Our mission goes beyond simply furnishing spaces—we focus on creating environments for personal growth, stability, and renewed purpose.

We believe every Warrior deserves more than a roof over their head—they deserve a place that reflects dignity, pride, and belonging. Through our Homes for Warriors Program, we provide free furniture, appliances, and essential household goods to veterans transitioning from homelessness into permanent housing. By turning bare apartments into comfortable, uplifting homes, we give Warriors the foundation to rebuild their lives with confidence and hope.

Our commitment doesn't stop at furniture. We foster transformational growth through mentorship, personal development, and community engagement—empowering each Warrior to reclaim their independence, strengthen their mindset, and create a meaningful future.

At the heart of everything we do is the belief that a home can change a life. Through partnerships, volunteer support, and the leadership of our veteran-led team, we continue to serve those who once served us, ensuring every Warrior not only finds housing—but discovers a home, a purpose, and a path forward.

Join us as we honor the sacrifices of our nation's heroes and help them transform houses into homes—and lives into legacies.
