

CRC News - August 2, 2013

Here are a few ideas for completing your 2013 workbond:

An upcoming pistol match has requested that some target frames be made. Please call Dave Paananen at 303-673-0106 or email dpaananen@netzero.net, if you can make some frames in the next week or two.

We would like to make a call list for members willing to use the large tractor to mow on fairly short notice. This would preferably be during the week when the pressure on the ranges is less. Call or email Dave Paananen to volunteer.

In addition, We would like to add to the list of volunteers willing to take the club trash trailer to the Adams County landfill. You need to supply the tow vehicle; the club provides the trailer, receiver, tarp, and reimburses for the dump fees. Call or email Dave Paananen to volunteer.
